Continuation of Substance of Interview including description of the general nature of what was discussed: Contacted Mr. Rathe (applicant's representative) on 12/5/2006 to get permission to make a minor change to the specification and to make a minor change to claim 14, as per the attached examiner's amendment. During the telephone conversation Mr. Rathe approved such changes. A one-month extension of time was already charged in this case, so no fee was required.
